Approval

The Practical Nursing program has been granted approval by:

Georgia Board of Nursing

237 Coliseum Drive

Macon, Georgia 31217

Phone: 478-207-1640

<http://sos.state.ga.us/plb/rn>

On January 13, 2022, the Georgia Board of Nursing Program (GBON) Approval for SRTC-PN program was changed from Full Approval to Conditional Approval per Board rule 410-9-.11(2)(c) and 410-9-.12 (2)(g) due to program four-year pass rate of 75.64% for first time test takers from 2018-2021. The approval status will be reevaluated following the review of the NCLEX results by the board in January 2023. *Note: For students newly enrolled as of Fall 2022 or Spring 2023 with potential program completion in Summer 2023 (for Fall 2022 start) or December 2023 (for Spring 2023 start): should the Georgia Board of Nursing determine in January 2023 to withdraw program approval then the GBON may require the transfer of remaining students to other nursing programs to complete the program of study.*

Practical Nursing Program Spring Semester 2027 (January 2027) Competitive Admission Procedures

For admission into the occupational courses of the SRTC Practical Nursing Program, requirements as outlined by the College must be met. Admission to the program is competitive. Please note that compliance with the admission criteria does not guarantee admission. Admission requirements and criteria are institutionally developed and applied by the college's Admissions department to select those candidates for admission as described. Applicants are ranked according to the competitive admission criteria, and the top twenty-five candidates will be admitted to the Spring Semester 2027 (January 2027) cohort. Deadline for the January 2027 class is **Thursday, October 8, 2026**.

Acceptance/Denial letter emails will be sent out **Tuesday, October 20, 2026**.

Please contact Admissions at admissions@southernregional.edu for any questions related to the application and/or acceptance process.

SRTC Admissions Requirements:

1. Submit a SRTC admission application. Applications are available online the college website by clicking the blue box marked "APPLY NOW" or using the following: <https://mysouthernregional.force.com/apply>. Only applications for the spring semester – Bainbridge PN program will be considered for acceptance into the occupational PN courses at that time.
2. Submit proof of age. (Must be 18 years or older at the time of program entry). Either a valid state driver's license or birth certificate is acceptable.
3. Submit official transcripts for high school diploma/GED/HiSET® AND all colleges and/or technical colleges (transferrable credit or not) mailed to the SRTC Registrar's Office; Southern Regional Technical College, 800 Veteran's Parkway North, Moultrie, GA 31788 or online at registrar@southernregional.edu.
4. Submit acceptable Admission Placement Exam scores OR have successfully completed with a "C" or better transferable degree or diploma level English and Math from a regional or national accredited college, university, or other postsecondary institution recognized by the US Department of Education at the time the coursework was completed. These courses must be equivalent to the entry-level English and Math required for our program. Acceptable admissions placement exams include: ACT, SAT, PSAT, ACCUPLACER (Classic and Next Generation), GED®, Georgia Milestones, HiSET®, High School GPA, COMPASS and ASSET. A student possessing an associate degree or higher from a regionally accredited institution will be exempt from the placement requirements.

Competitive admission requirements into the Practical Nursing diploma program:

- All applicants accepted to SRTC (into the first phase of the PN program) are required to take and attain the required score or higher on an in-person Pre-Admission Assessment (TEAS) exam, prior to being accepted into the PN Program. The ATI TEAS (Test of Essential Academic Skills) is a timed exam that includes questions in the following areas: English, Math, Reading and Science.

- The SRTC Admission Office will only accept scores derived from testing conducted in an in-person testing environment. An in-person testing environment is one where the candidate's identity verification is performed through direct, face-to-face interaction without the reliance on web conferencing technologies.
- The PN program requires a minimum adjusted individual total TEAS score of 56%. Applicants are ranked by their scores with the highest scores filling available spots. Applicants have two opportunities (within a 12-month period) to achieve this score or higher and must submit these scores by the application deadline. Only the highest score of the two most recent attempts will be considered during ranking. We strongly recommend that anyone who does not pass the TEAS on their first try undertake remediation before their second attempt. Several copies of the 2024-2025 ATI TEAS Study Manual are in our SRTC Libraries. The TEAS study book can also be purchased online at <https://atitesting.com/teas/study-manual>.
- Applicants who fail to achieve the minimum TEAS score of 56% within two attempts will be ineligible for admission to the PN Program. However, they may reapply and retake the PN Pre-Admission exam after a one-year wait. Previous attempts will then be disregarded, allowing for new attempts to meet the required TEAS score. We strongly recommend any applicant within the one-year waiting period complete the Associate of Applied Science Degree in Allied Health Professions (AAS) program.

The TEAS exam score is good for two years from the month and year of the exam.

Tiebreaker: In the event of a tie in the ranking, the student who has the highest sum on the Math and Science sections of the qualifying TEAS exam will be given the remaining seat.

NOTE: Students will be required to complete health examinations and a Criminal Background report upon acceptance to the program. A current American Heart Association Health Care Provider BLS CPR card is required of all students entering the program. No other CPR cards will be accepted.

TEAS Pre-Admission Exam Practical Nursing

Spring 2027 Program – Bainbridge Campus

Program Application Deadline: Thursday, October 8, 2026

Once accepted to Southern Regional Technical College all PN applicants are required to take and attain the required score on an in-person Pre-Admission Assessment (TEAS) exam, prior to being accepted into the Practical Nursing Program. Student Advisement Sheet

I acknowledge that I have received counseling and advisement as to the preferred course sequencing and acknowledge that it is my responsibility to ensure adherence to the schedule. Additionally, I am aware that after entering PNSG 2030, I have 18 months to complete the program.

A grade of "C" or above is required for successful completion of any course. However, a semester GPA of 2.0 must be maintained to remain in the program. See the Student Handbook.

I understand that if I vary from the prescribed course sequence listed above, I may be unable to graduate within the regular program length and may not be able to schedule courses as needed.
