An 8-hour job shadowing experience is recommended prior to admittance into the occupational courses for Radiologic Technology. Please contact the program advisor for information and documentation of this recommendation.

Notification

Letters will be mailed on <u>Wednesday, June 8, 2022</u> to notify students of their acceptance into the occupational courses of the program contingent on the successful completion of the highlighted pre-requisite courses with the required GPA by May 18, 2022 ***and*** non-highlighted pre-reqs ("C" or higher) of the non-competitive pre-requisites by the end of Summer semester. The number of available openings in the occupational courses varies based on the number of clinic slots in the program as a whole and may vary by campus and semester. Openings are filled from the highest GPA. In the event of a tie, the student who applied to the program first will be admitted. Program accreditation sets a specific number of admission seats for the Radiologic Technology competitive admission program.

Any student not admitted into the program may re-apply for the following year.

NOTE: Students will be required to complete Health Examinations and a Criminal Background report upon acceptance to the occupational part of the program. A current American Heart Association Health Care Provider BLS CPR card is required of all students entering the program. No other CPR cards will be accepted
