

SOUTHERN REGIONAL TECHNICAL COLLEGE and the UNIVERSITY OF GEORGIA

TRANSFER AGREEMENT

Introduction

This agreement formally recognizes that Southern Regional Technical College (SRTC) and the University of Georgia (UGA) are active educational partners in providing educational opportunities for currently enrolled and future students of both institutions.

Agreement in Principle

Agreement to this partnership requires a commitment by both institutions to facilitate the transfer of courses from Southern Regional Technical College, a SACSCOC accredited institution, to University of Georgia a SACSCOC accredited institution, for students who want to pursue their B.S.A in Agriscience and Environmental Systems, B.S.A. in Agricultural Education, or B.S.A in Agribusiness at UGA without jeopardizing the intended mission and stated goals of either institution.

Agreement on Communication

SRTC and UGA agree to cooperate in communicating with each other and with the public release of information regarding the articulation relationship between the two institutions. The institutions will encourage the dissemination of information about programs in this agreement with interested and qualified students, with both institutions providing advising and counseling to prospective students.

Agreement on Articulated Courses

Any SRTC student who completes the A.A.S. in Interdisciplinary Studies, is in good standing at SRTC, and meets the appropriate admissions requirements to attend UGA will be ensured that the courses earned at SRTC and listed in this agreement will transfer to UGA. A minimum grade of C or above will be required for any course designated for transfer of course credit. Transfer courses related to the baccalaureate program major (Areas F and G) may be added upon formal request and written agreement by both parties.

Agreement on Maintenance and Review

At least one administrative or faculty member will be appointed from each participating college/university to act as a primary point of contact and agent for this agreement, to speak for the institution, and to communicate details and modifications to respective faculty, advisors, and others with interest at the individual institutions.

Terms of this agreement will be effective the date of signing and remain in effect until such time as program changes at either institution require that it be re-articulated. Both parties agree to review this document annually. The agreement may be terminated at the option of either institution following written notification of no less than six (6) months, with the effective date to be the last day of the following semester.
