HESI Testing - $50
Students who have met the pre-requisite GPA will be notified to take the HESI in June or submit acceptable scores. Scores are good for two years from testing date.

Notification
Students will be notified at the end of June of their acceptance into the program contingent on their successful completion of the non-competitive pre-reqs by the end of Summer semester. The number of available openings in the occupational courses varies based on the number of clinic slots in the program as a whole and may vary by campus and semester. Openings will be filled from the highest GPA. Program accreditation sets a specific number of admission seats for the Veterinary Technology competitive admission program.

Any student not admitted into the program may re-apply for the following year.

NOTE: Students will be required to complete and submit Health Examinations and a Criminal Background report upon acceptance to the occupational part of the program. Physical Examination forms will be distributed by the Program Chair at the mandatory Veterinary Technology Student Orientation. Students who have already applied for the program will be notified of the orientation.
